

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

PALMER'S INDEX TO "THE TIMES" NEWSPAPER.

WINTER QUARTER—JANUARY 1 TO MARCH 31.

EXPLANATION.—The Times Newspaper having a separate pagination to each number, the following method is adopted to suit it to any file: thus 8 j 11 e means January 8th, page 11, column 5; the italic letter after the first figure noting the month, and the italic letter (according to alphabet) after the second figure noting the column of the page.

A.

- A'Beckett (Arthur) on the Loss of the *Northfleet*, 5 f 8 b

BIRTHS:—In consequence of the Registrar-
General having a complete Alphabetical List
from 1887, of all Births in the British Domi-
nions, as also of all British Subjects born
abroad, which can be inspected at any time at
the Office in Somerset House, it is not deemed
expedient to insert the Minimum Lists as
advertised in the Times.

PALMER'S

INDEX TO "THE TIMES" NEWSPAPER.

SPRING QUARTER—APRIL 1 TO JUNE 30.

REFERENCE.—*The Times Newspaper* having a separate pagination to each number, the following method is adopted to suit it to any file: thus 8 a 11 e means April 8th, page 11, column 5; the italic letter after the first figure noting the month, and the italic letter (according to alphabet) after the second figure noting the column of the page.

A.

Aberdeen University—Professor Huxley Takes his Chair as Lord Rector, 17 a 5 f

PALMER'S **INDEX TO THE "TIMES" NEWSPAPER.**

AUTUMNAL QUARTER—OCTOBER 1 TO DECEMBER 31.

REFERENCE.—The Times Newspaper having a separate pagination to each number, the following method is adopted to suit it to any file: thus 8 o 11 e means 8th, October page 11, column 5: the italic letter after the first figure noting the month, and the italic letter (according to alphabet) after the second figure noting the column of the page.

FINIS.

ADVERTISEMENTS.

Are warranted not to contain a single particle of MERCURY or any other MINERAL SUBSTANCE, but to consist entirely of Medicinal Matters, PURELY VEGETABLE.

For nearly forty years they have proved their value in thousands of instances in diseases of the Head, Chest, Bowels, Liver and Kidneys; and in all Skin Complaints are one of the best medicines known.

Sold in boxes price 7½d., 1s 1½d., and 2s 9d. each by G. WHELPTON & SON, 3, Crane Court, Fleet Street, London; and by all Chemists and Medicine Vendors. Sent free on receipt of 8, 14, or 33 stamps.

NEXT OF KIN.

A DESCRIPTIVE INDEX (20,000 names guaranteed) to advertisements for next of kin, chancery heirs, legatees, &c., from 1700. 2s. 8d. by P.O. order.—Address W. CULLMER, 17, Southampton-buildings, Chancery-lane, London, W. C.

INDICES.

AUTHORS preparing Works for the Press, are respectfully informed that as no publication is now considered complete without a full Index to all the matters treated of, Mr. Samuel Palmer, whose Index to the Times Newspaper has been so universally appreciated by the entire English and Foreign Press, will be happy to arrange with any gentleman for the preparing of a suitable analytical Index for the making of their works complete.

Lord Campbell proposed the passing of an Act excluding from the benefit of the Law of Copyright, all works without an Index.

Address, Mr. Palmer, 291, Strand.

W BARNES,

(Late CLAYDEN),

J. W. PALMER, 291, STRAND.

TO AMATEUR AUTHORS.

GENTLEMEN desirous of publishing any Work, either of their own or their friends, or to reprint any volume which is interesting to them, but at the same time do not wish to hazard the uncertain responsibility of the undertaking, are informed that S. Palmer, 291, Strand, London, will undertake the entire printing, publishing and advertising the same, on the Author simply taking one hundred copies.

OLD BOOKS.

CATALOGUES of Curious, Rare, and Interesting Books, in all Classes of Literature, and all Languages, may be had gratis of SAMUEL PALMER, 291, STRAND, LONDON, who has always on hand a large stock of old and curious articles for inspection.

County Collectors, and Collectors for Families, Localities, and Subjects, may be assisted in their search by applying to the same.

Old Newspapers, Early Paupers, and 10s Bills always on hand.
